Eielson AFB housing earns LEED gold

A portion of 349 new housing units completed in the Century Park North and Galaxy Heights neighborhoods at Eielson Air Force Base, near Fairbanks, Alaska have been certified LEED gold by the U.S. Green Building Council.

The multi-phase, design-build project also involved renovation of 99 homes.

ORB Architects was the architect and Osborne Construction Co. was the contractor.

ORB said this is the first housing project in Alaska to earn LEED gold.
